NOTIFICATION

NO.EN 15 PPT 2016, BENGALURU, DATE: 06.10.2016

Sub: Ballari Thermal Power Station – Exemption from KTPP act for the Supply & Installation of Pump sets for drawing water from Right bank HLC – reg.

KPCL has an installed capacity of 1700 MW at Ballari Thermal Power Station (BTPS) with two units of 500 MW each and one unit of 700 MW and is expected to contribute 1300 MW to the State Power Grid. For the generation of Power KPCL is drawing regenerated water from Maralihalla stream.

GoK vide letter dated 03.10.2016 has allocated 0.26 TMCft of water from right bank HLC. KPCL has to draw the allotted quantum of water from HLC by end Dec' 2016 as the water may not be available beyond Dec' 2016. BTPS is expected to Generate from all the three units continuously to meet the power requirement of the state and sufficient water needs to be stored at raw water pond for which immediate pumping of water from right bank HLC is essential.

At present KPCL has no infrastructure available for drawing water from HLC, the work of installation of pump set near HLC is to be taken up on emergency basis to run all the three units of BTPS continuously. Power from all the three units of BTPS is required during this season as there is a shortage of availability of power due to failure of monsoon.

Government declare this is an emergency under section 4 (a) of KTPP Act.

KPCL shall take all necessary action to draw water from the right bank HLC and Generate power in BTPS. In order to ensure water for running all the three units of BTPS continuosly to provide much needed electricity to the state, the pumping of water from HLC is to be taken up on priority.
